2nd Annual Glass Cruise Conference Celebrity Eclipse (1/8 – 1/15)

7 Night Western Caribbean Cruise Ports: Miami, Florida, George Town, Grand Cayman, Cozumel, Mexico, Puerto Costa Maya, Mexico, Roatan, Honduras

This is a preliminary document as the Eclipse is being built and will launch in April 2010. The 1st annual cruise conference for the KBW Art Glass Foundation aboard the Celebrity Solstice was a huge success and the glass workshops and lectures were filled to capacity! The Corning museum Glass Artists onboard donate several blown glass pieces for our auction and gave away pieces thru out the cruise via raffle tickets.

The second annual conference is aboard the Celebrity Eclipse and will have more glass workshops and lectures as well as an onboard Hot Blow Glass Studio.

Continuing the tradition of signature service, quality dining, spa, and personal amenities, the Celebrity Eclipse is the third of four ships in Celebrity's new Solstice class. Like others in its class, the Eclipse offers wireless Internet, flat-screen televisions in large staterooms, plush bedding, a wide variety of boutiques and shops, balconies in 85% of its staterooms and additional space for storage. Other highlights include: the Hot Glass Show, the first glassblowing studio at sea; The Lawn Club, an area featuring real grass where cruisers can play croquet or golf; and a selection of 10 distinct onboard restaurants, promising a little something for everyone.
